**NORTH HOUSE**

Thank you for choosing to dine with us at The North House. We continue to work tirelessly to build an extensive beverage program that offers a diverse range of wine, beer, and spirits to compliment our exquisite menu. This book showcases our wine and spirits segment. Our beer menu is separate due to frequent changes.

While our wine list encompasses the entire globe, we chose to build the core of our list around domestic wines, with a heavy spotlight on California wines. Do not be intimidated by this list, we have over 60 different wine choices under \$50.

Our “brown bar” offers a variety of brown spirits such as bourbon, scotch, aged rums, aged tequilas, cognacs and other worldly whiskies to name but a few. We have assembled what we believe to be one of the finest “brown” liquor collections in the area.

If you have any questions regarding a wine, beer or liquor selection, do not hesitate to ask any of our knowledgeable servers.

## Irish Whiskey

*Single pot still whiskey is made by a single distillery from a mixed mash of malted and unmalted barley distilled in a pot still. This unmalted component is said to give the whiskey a "spicier bristle" and "thicker texture" than similar single malt whiskeys.*
